

## CONTRACTING OPPORTUNITIES FORECAST

The Contracting Opportunities Forecast for Clinton National Airport provides advance information about contracting opportunities expected to be issued within the next six (6) months. It is intended to help businesses plan and prepare for participation in future solicitations. Forecast listings do not represent a commitment by Clinton National Airport to purchase the listed goods or services, and final decisions on the extent of competition, estimated value, the scope of work or specifications, or any aspect of the procurement action will not be made until each procurement is initiated.
